

Postdoctoral position available at MRC, IISc, Bangalore

There is an immediate opening for a postdoctoral positions in the group of Dr. Abhishek Kumar Singh in the Materials Research Centre at Indian Institute of Science, Bangalore. The position is on the study of defects in compound semiconductors.

The candidates are expected to have or to soon have a PhD in Theoretical/Computational Chemistry or Physics. The applicant must have strong skills in quantum physics, atomistic simulations and solid-state physics. A good knowledge of computer programming and environment is essential. The candidate should also have excellent writing and communications skills in English. Interested applicants should apply by email abhishek@iisc.ac.in using "Postdoctoral application" as the subject line. Please attach a CV (PDF format preferred) and list of names and contact information of 2-3 references.

Consideration of candidates will begin immediately and will continue until the position is filled.
